Iowa's Collegiate Recovery Network
A Network for Iowa's Colleges and Universities

What is the Collegiate Recovery Network?

Whether your college or university already offers Collegiate Recovery Program (CRP) services or you're looking to build support for students in recovery from the ground up, this network is your space to connect, collaborate, and grow with others who are passionate about supporting students in recovery.

Want to get involved?

Reach out to Iowa's Collegiate Recovery Network at recoverynetwork@iastate.edu or [register to attend our next meeting here](#). Let's build this movement—together.

EMPOWERING STUDENT RECOVERY ACROSS IOWA
WHO IS IN RECOVERY? YOU!
The Iowa Collegiate Recovery Network is a statewide coalition of colleges and universities committed to supporting students in recovery. We provide a safe space for students to connect, collaborate, and grow with others who are passionate about supporting students in recovery.

HOW CAN WE HELP YOU?

- Connect with other CRPs
- Share best practices
- Access resources
- Attend trainings
- Collaborate on projects

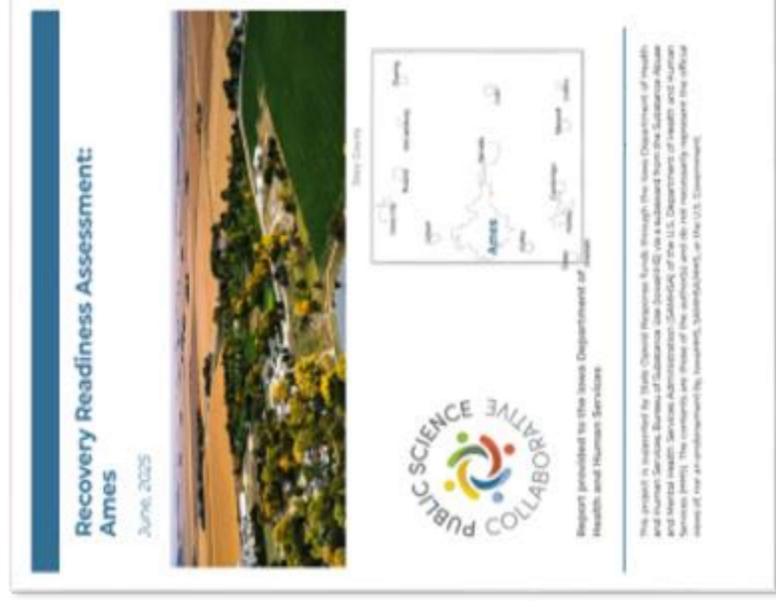

Over 40 CRPs across Iowa have benefited from this network's support. Reach out to your nearest CRP today!

Looking ahead

Data

Commitment to action

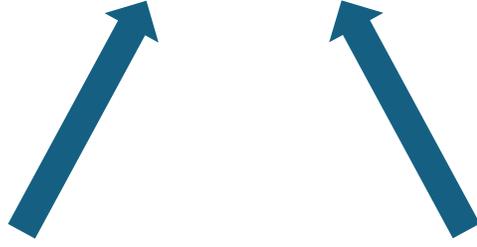

Substance Involvement Data

Substance use affects student wellbeing, academic success, and campus safety.

Recovery support is often underfunded or misunderstood.

Data helps us tell the story and drive change.

IOWA COLLEGIATE
RECOVERY NETWORK

Types of Substance Involvement Data

Data Insights

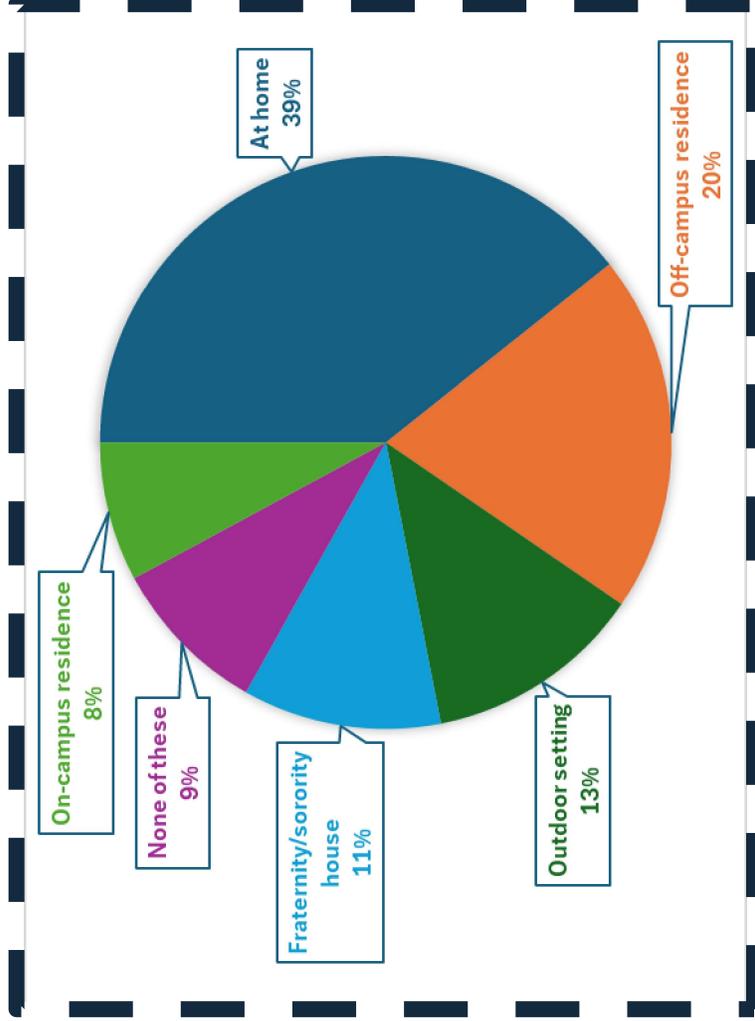

- What type of substance use is happening on campus?

- How many students want support?
- How many students are connecting to support?
- Where are students being referred (if anywhere)?

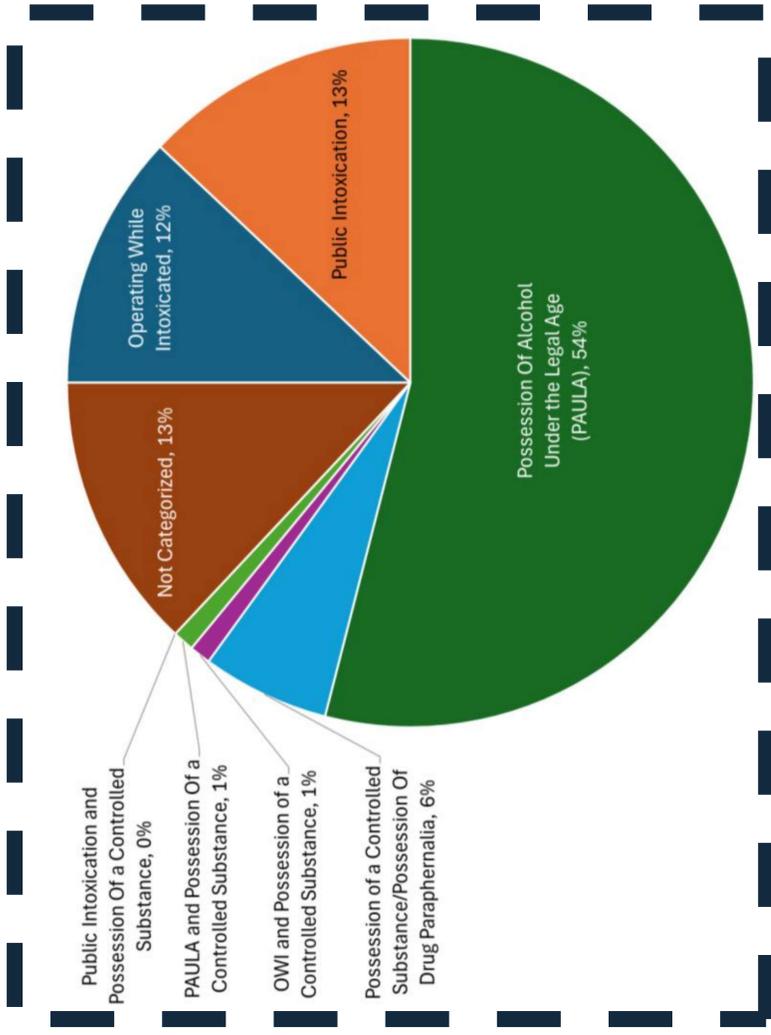

- How many students are experiencing legal or conduct involvement because of substances?

Areas for:
Prevention, Enforcement, Treatment

Where are students using alcohol?
-FY25 AlcoholEdu Impact Report

Iowa State University FY22 AOD Violation Data

Data for Your Campus

- What are you already capturing?
- How are you using it?
